

Tebughna Foundation

Preserve, Enhance, Educate & Serve

September 28, 2011

Dear Shareholders & Tribal Members,

The Board of Directors of Tebughna Foundation recognizes the importance of continuing education and how degrees and certificates lead to greater accomplishments

Tebughna Foundation is creating a "Wall of Fame" to recognize the achievements of all shareholders and tribal members' degrees or certificates. With permission, we plan to create these walls at the Tebughna School and the Tyonek Native Corporation office in Anchorage.

Attached along with this letter is return postage paid address form to fill out if you wish to have your name or nominate a member of the Tebughna to be placed on the "Tebughna Foundation Wall of Fame".

Respectfully yours,

Emil McCord
Acting Executive Director
Tebughna Foundation
